

WRENN ACADEMY

Principal Mr S Elliott BA (Hons)

"Proud to be Wrenn"

12th June 2017

Dear Parent/Carer(s),

Ofsted monitoring report

We are incredibly proud to share with you a copy of the report from our recent OFSTED monitoring inspection.

The inspection took place over two days in the middle of May, and focused on the progress that Wrenn has made since our last inspection in October 2016. The report is very clear in its conclusion:

"Leaders and managers are taking effective actions towards the removal of the serious weaknesses designation. Leaders, at all levels, have embraced the greater responsibility given to them and their role in raising standards across the school."

We are extremely pleased that all of the hard work that our students, staff and Governors have contributed to since the last inspection has been clearly recognised and acknowledged.

"Staff have a greater focus and understanding of key groups and higher expectations for all pupils. The progress of disadvantaged pupils is improving."

"Governors know the school well and have a clear understanding of the school's priorities."

"Incidents of poor behaviour and exclusions have declined."

However the journey is not yet complete and we must ensure that there is a clear focus on raising the outcomes of all of our students. We will continue to focus on each aspect of the school's development plan, which will enable us to deliver a school that provides excellent opportunities for every student.

We would like to thank you for your continuing support in the face of some inaccurate reporting about the school in the national press. This report accurately describes our school and the journey it is on. We now look forward to the opportunity to invite Ofsted in for a full inspection when our wonderful school can finally be recognised as 'good'.

Yours faithfully

Steve Elliott
Principal
