Principal Mr S Elliott BA (Hons)

“Proud to be Wrenn”

26 September 2017

## Proud to be Wrenn

Huge congratulations go out to all the Year 11 students and our dedicated staff at Wrenn Academy, after the Progress 8 results were published yesterday by the Department for Education. These results prove that Wrenn can now be rightly seen as a rapidly improved school where student progress is now significantly above the National average (+0.20). It's an even bigger achievement when compared to the previous year, every Year 11 student achieved on average significantly higher in every subject!

I am delighted for everyone connected with Wrenn Academy, who have worked tirelessly to make these massive improvements, and it confirms that every student does have the opportunity to achieve beyond their potential.

This is a significant landmark in our journey and I would also like to thank all our parents/carers, who have helped us achieve the fantastic results for our students.

We continue to make improvements and we will never waver from our key purpose to ensure every student has the opportunity through the education they receive, to be successful in life. Our students are exceptional, and we will continue to work together so that they receive every encouragement and support to make the progress they need that turns their dreams into a reality.

We look forward to meeting all new parents and students when we open our doors on Thursday 5th October for our annual Year 5/6 Open Evening. Parents will be able to visit from 6.30pm until 9.00pm to see for themselves why Wrenn Academy is a great place for their child to be educated.

We will continue to build the partnership between the Academy and our existing parents/carers, and we will keep all of the Wrenn Community fully informed and updated about the journey still to come.
