

WRENN ACADEMY

Principal Mr S Elliott BA (Hons)

“Proud to be Wrenn”

10 March 2017

Dear Parent / Carer,

I write to you today to inform you about the next stage in our school's journey. Very early this morning, The Department for Education released a statement that they would be transferring all twelve schools currently managed by The Education Fellowship, including Wrenn, to new sponsors. We have been given no information about who this is likely to be, but have been assured that there will be opportunities for discussion and consultation with the school and parents.

Students, staff and parents will see no noticeable difference in the day-to-day operation of the school, including public examinations. We guarantee that we will continue to give your child the very best education and opportunities both now and in the future.

Your support for Wrenn School has been immeasurable over the past few months, and we ask that you continue to do so, as we see this as an exciting journey that we will embark on together.

As always, our door will always be open if you have any questions about this process. Please contact the school directly.

Yours sincerely,

S Elliott

Principal
