Dear Parent/Carer(s)

I am PROUD to announce that following our recent Ofsted inspection on the 9<sup>th</sup> & 10<sup>th</sup> May 2018, the four inspectors unanimously agreed Wrenn School’s overall effectiveness as GOOD in all categories.

To be recognised as the most improved school in the County for progress, a top 20% performing school in the UK and in 18 months improved from inadequate to GOOD, is testimony to the brilliant staff, students, Governors and parents that we have at Wrenn.

This is the reward for the hard work, dedication, passion and belief in our values. All our stakeholders have played their part, it has been a huge team effort.

*“Staff share leaders’ aspirations for pupils’ success. They understand the school’s priorities and work in collaboration with each other, staff, pupils and parents. Pupils’ interests are at the heart of all that the school does” Ofsted 2018.*

There has always been a feeling of belonging at Wrenn School, a sense of being part of a community with shared values and aspirations. Every student has the opportunity to achieve beyond their potential. Expectations are high and we ensure there is a balance between life and learning.

*Pupils are proud to be members of the school. They encapsulate the school’s ethos, ‘Proud to be Wrenn’, in their attitude and approach to school life. Pupils are confident and polite. Many pupils were keen to speak to inspectors, to share their views and to extol the school’s virtues”, “As one pupil reported to inspectors, ‘The staff are amazing, they help you if you need extra support” Ofsted 2018.*

Not only is the future of Wrenn School secure; with the support from the new sponsors at Creative Education Trust Wrenn School will continue to thrive. As you read the overwhelming positive comments you will see that there are still a couple of areas for improvement and we will continue to make sure that every student should have access to an outstanding education in a safe and caring environment. We will raise further the aspirations, expectations and values of every student and member of staff. This will remain our priority over the next four years.

*"Leaders, governors and staff are committed to ensuring continued and sustained improvements to the school" Ofsted 2018.*

I want to dedicate the GOOD judgement to all my staff and Governors, to my students and to you, our supportive parents. This is the next stage of our great journey ahead, we are changing lives and I am so PROUD to be part of a genuine community school that makes a difference and really cares.

Proud to be Wrenn.

Yours faithfully
